**STRETCHERS**

Basic first aid stretcher. Folds up for minimal storage. Quality heavy duty hinges, railings and material.

CODE	DESCRIPTION
63-206	Basic First Aid Stretcher

High performance scoop stretcher. Highest quality components with designated lifting points.

CODE	DESCRIPTION
63-210	High Performance Scoop Stretcher

**POP-UP SHELTER/TRAUMA TENTS**

A must for your First Aid room or work van. Can be deployed in as little as 30 seconds. Lightweight but very strong. Hi-vis yellow side walls protect from intrusive on-lookers. Comes with storage bag. Fully weather proof. Can also be used for general utility works and welding due to flame retardant material.

Sizes Available:

- 1.2 x 1.8m (2.0m high at peak)
- 1.8 x 1.8m (2.0m high at peak)

- Zipped front door rolls up with single zip exit flaps at rear
- Fast easy set up and take down
- Sturdy construction with 5 year frame warranty - made in USA
- UV and flame resistant
- Very compact to transport and store

Roll down and zippered front door and single zippered rear exit door.

Fits around utility boxes with ease. Bungy cords with suction cups to eliminate dangerous guy ropes and heavy sand bags.
