

Rope Queuing Stanchions

Deluxe Rope Stand Barrier - Ball Top

Create an upmarket look to your queuing areas with our quality chromed steel Rope Barrier Stanchions.

Posts simply screw into the base for quick and easy assembly.

Quality Velvet or Braided Rope is available with fittings that clip onto the top ring of the pole (P122).

Our Rope Barrier systems are widely used in hotels, cinemas, casinos, conference centres and many other entertainment areas.

Height: 1000mm

Base Diameter: 320mm

Rope Length: 1.5m

Weight: 8kg

Use to create a premium feel to areas.
