

Wall Mount Belt Barriers

Recessed Retractable Belt

Recessed Retractable Belts are made to be mounted into a wall cavity. This gives you a sleek and tidy look and prevents unit from encroaching on nearby pedestrian thoroughfare.

Common uses are checkout lanes, amenity hallways and elevator entranceways.

- Belt recedes to inside the wall for a smooth and tidy look
- Receiver clip included
- Belt Length: 2.5m or 4m

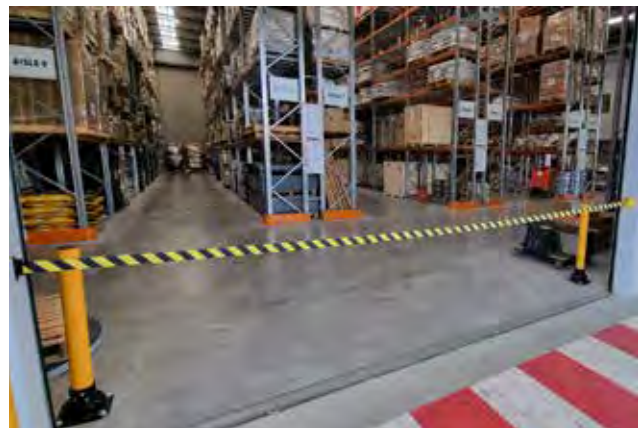

CODE	DESCRIPTION
49-RWM2.5-BK	Recessed Retractable Belt - 2.5m Belt
49-RWM4-BK	Recessed Retractable Belt - 4m Belt

Premium Indoor/Outdoor Wall Mount Belt - 6m & 9m

This heavy-duty wall-mount belt comes with a wall bracket that enables the unit to be removed and relocated to other areas by simply unscrewing one screw and sliding the unit out of the wall bracket, making cordoning off areas quick and easy.

- High impact polycarbonate construction for long-term durability
- Ultra-tough belt
- Fixed/Removable mounting plate
- Indoor/Outdoor rated
- Available Colours: Black, Blue, Red, Black/Yellow
- Belt lengths of 6m and 9m

CODE	DESCRIPTION
49-WB6Y	Wall Mount Retractable Belt - 6m belt
