

Wall & Column Guards

Rubber Wall Guard

Our Rubber Wall Guards are made from solid recycled rubber to create a tough wall protector. The yellow inlay strips add visibility for vehicles and pedestrians. They're ideal for protecting walls from forklift and other vehicle damage.

- Made from recycled rubber
- Mounting holes pre-moulded for ease of installation
- Can be installed with basic tools

CODE	DESCRIPTION	SIZE (mm)
49-RWG	Rubber Wall Guard	1000(L) x 150(H) x 55(W)

Rubber Column Guard

Heavy duty Rubber Column Guards are ideal for protecting column structures and walls from vehicle damage.

Moulded yellow strips make your columns visible to drivers.

Can be cut to length on site to suit your project

CODE	DESCRIPTION	SIZE (mm)
49-RCG	Rubber Column Guard	5000(L) x 200(W) x 30(D)

Best-practice safety products – nice. Best-practice safety advice – priceless.

Have you chosen the right safety product for the job? Is there a smarter way to keep your people safe and your site functioning efficiently? When lives and livelihoods are at stake, cutting corners can lead to costly mistakes.

Vanguard's got the right answers.

We know that no two sites are the same, but they often face similar challenges. With deep experience across a wide range of industries, we back ourselves to solve your challenges. That's why more companies trust Vanguard for smart safety solutions.
