

# Spot Marker Paint - Temporary

The most environmentally responsible paint globally.

## Soppec Temporary Spot Marking Paint - 2 months

Soppec Tempo TP is a Temporary fluoro spot marker paint. This chalk-based product can be removed with a low-pressure water blaster, water and brush, or left to naturally fade in 2-8 weeks. Used in urban environments and other sensitive areas where only a temporary mark is wanted.

- Minimise complaints around urban areas for paint markings lasting too long on footpaths and driveways
- Respect for the environment - complies with strict EU Environment regulations
- Guaranteed to be free of CMR (Carcinogenic, Mutagenic, Reprotoxic)
- Patented safety cap twist-locks to prevent accidental discharge
- Tough cap can sustain a dropped from 1.5m high
- Guaranteed to empty completely 100% of the time
