

Model 1 (above) Driver Safe Zone - Extra Heavy Duty - for use when trucks and forklifts are in close vicinity.

## Walksafe Driver Safe Zones

Designated Driver Safe Zones provide a safe place for visiting drivers to stand clear when vehicles are moving or being loaded and unloaded.

There are three models available depending on the vehicles and risks present. All feature:

- Modular design
- Flatpack kit set
- Fast installation
- Indoor/outdoor rated
- Powder-coated yellow galvanised aluminium

Model 2 (above) Driver Safe Zone - Heavy Duty - for use when trucks and forklifts are in close vicinity.

Model 3 (above) Driver Safe Zone - Standard Duty - for use when positioned away from forklifts and truck movements.
