

Free Standing Retractable Belts

4-way connectivity enables multiple configurations.

Retractable Hazard Belt Barrier

Retractable Hazard Belt Barriers are a great portable solution for indoor industrial environments. The hi-vis black/yellow striped belts create effective visual barriers for exclusion zones and walkways, and they draw attention to workplace hazards.

- Posts available in black and in yellow
- 4.6m long tough polyester belt
- 4-way connectivity heads
- Auto safety-brake for safe retracting

Belt ends clip on to receivers on posts.
