

# Wall Mount Retractable Belts

Super long 20m belt.

Receiver bracket for belt-loop end

S-Hook belt end

## Premium Indoor/Outdoor Wall Mount Belt - 20m

An Indoor/Outdoor-rated 20m Wall Mounted Retractable Belt Barrier commonly used for separating longer areas on tarmacs, carparks, in warehouses, for machine guarding, bus & cruise ship loading, construction sites, and more.

- Extremely heavy-duty aluminum body: (6.5mm thick) designed to withstand outdoor elements and harsh environments
- Thick and durable belt for long-span applications
- Inbuilt auto-brake for safe belt retraction
- Pivoting mount allows unit to swivel so belt can pull out at any angle
