

# Entrance & Walkway Matting

## Absorbent Entrance Mats

Paris Matting is a very high-quality industrial indoor mat. Exceptional absorbency for dust control and arresting water at entrances.

- Excellent absorbency and high resistance to mildew
- Vinyl backing to withstand high foot-traffic
- Non-fading 100% polypropylene top

Used in high foot-traffic areas to keep floors clean from dirt and moisture.

CODE	DESCRIPTION	SIZE (mm)
09-PAR9060	Absorbent Entrance Mat - Charcoal	600 x 900
09-PAR15090	Absorbent Entrance Mat - Charcoal	900 x 1500
09-PAR18012	Absorbent Entrance Mat - Charcoal	1200 x 1800

## Safety Tread Ramp Matting

Safety Tread matting transforms slippery timber ramps and decks into safer areas.

- Anti-slip & self draining
- Comfortable to walk on

Use on timber ramps and decks to prevent slips.

CODE	DESCRIPTION	SIZE (mm)
09-STM9	Safety Tread Ramp Matting	900(W) per metre
09-STM12	Safety Tread Ramp Matting	1200(W) per metre
09-STM18	Safety Tread Ramp Matting	1800(W) per metre
09-STM-F	S/Steel Screw & Cup Washer	
09-STM-B	Aluminium Edge Bar	2400(L)
