

Cylinder and Aerosol Cages

Gas Cylinder and Aerosol Can Cages

A secure and cost-effective solution for safely storing a wide range of gas cylinders.

- Strong magnetic door catches to hold doors closed and an eye lug for a padlock.
- Raised support legs with pre-drilled feet which can be permanently fixed to the ground. (Recommended)
- Manufactured to Australian standards AS 4332 and AS/NZS 1596.
- Available in a range of configurations for tall gas cylinders and forklift gas cylinders.
- Supplied flat-packed
